

Self-Study Modules on Tuberculosis

Distance Learning Courses

The *Self-Study Modules on Tuberculosis* series consists of a total of nine modules that are separated into two separate courses. The first course, consisting of modules 1-5, provides basic information on TB. The second course, consisting of modules 6-9, provides more specific TB programmatic information.

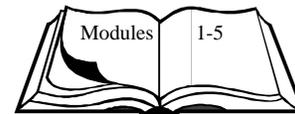

Continuing education credit is available free of charge!
For registration information, see page 2

SS3035, Self-Study Modules on Tuberculosis 1 - 5

Course content:

- Module 1: Transmission and Pathogenesis of Tuberculosis
- Module 2: Epidemiology of Tuberculosis
- Module 3: Diagnosis of Tuberculosis Infection & Disease
- Module 4: Treatment of Tuberculosis Infection & Disease
- Module 5: Infectiousness & Infection Control

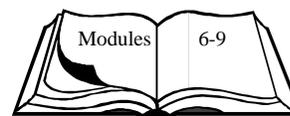

CNE: This activity for **24** contact hours is provided by CDC, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.
CEU: CDC awards **2** Continuing Education Units (CEUs). CDC is an Authorized CEU Provider of the International Association for Continuing Education and Training.

CME: CDC is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. CDC designates this educational activity for a maximum of **16** hours in category **1** credit towards the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
CNE: This activity for **19.2** contact hours is provided by CDC, which is accredited as a provider of continuing education in nursing by the American Nurses Credentialing Center's Commission on Accreditation.
CEU: CDC awards **1.6** Continuing Education Units (CEUs). CDC is an Authorized CE Provider of the International Association for Continuing Education and Training.

Continuing Education Registration for the *Self-Study Modules on Tuberculosis*

For modules 1-5, request SS3035. For modules 6-9, request SS3036.

1. **Email:** CE@cdc.gov and be sure to provide your name, address, daytime phone number, and the course number.
2. **Fax:** Place a toll-free call from a touch tone phone to 888-CDC-FAXX (888-232-3299). When prompted, enter document number 564007 to be sent to your 10-digit fax number. Complete the request form and return it by fax to 404-639-0800.
3. **Phone:** Call 800-41-TRAIN, follow the prompts, and state your request for a continuing education packet.

You should receive your CE registration packet in 2 to 3 weeks.

Additional Formats

Internet Course

The *Web-Based Self-Study Modules on Tuberculosis* is an interactive Web-based format on the World Wide Web with interactive features such as animation, study questions, case studies, and links to other TB-related sites. On-line continuing education credit is available for the web-based course. Visit the course Web site at www.cdc.gov/phtn/tbmodules.

Satellite Courses on Video

The *Self-Study Modules on Tuberculosis* served as the basis for two satellite courses:

1. The 1995 *Satellite Primer on Tuberculosis (Modules 1-5)* was a five-part series. Videotape copies of this course are available from the Alabama Department of Public Health, 334-206-5618.
2. The 2000 *TB Frontline - Satellite Primer Continued: Modules 6-9* was a three-part series. Videotape copies are available on a limited basis from CDC, Division of Tuberculosis Elimination, 404-639-8135. After current supplies are exhausted, the videotape sets will be available through the National Technical Information Service (NTIS) for a cost of \$170 per set. To order, call NTIS toll free at 800-553-6847 and request *TB Frontline - Satellite Primer Continued: Modules 6-9* Videotape Set, order #AVA20848VNB3.

Continuing education credit is **not** available for the videotape copies of the satellite courses.
